Total Comprehensive Income / (Loss) for the year, net of tax	(3.95)	0.14
Total Comprehensive Income/ (Loss) for the year	(90.73)	(138.38)

* previous year figures have been regrouped/rearranged wherever necessary

B. SUMMARY OF OPERATIONS

Sales of the Company increased significantly to INR 925.03 MN during FY 2023-24 from INR 22.95 MN during FY 2022-23. Loss before tax stood at INR 90.73 MN during FY 2023-24 as against INR 138.38 MN during FY 2022-23. The Book size has grown from INR 34.26 MN as of March 31, 2023 to INR 631.82 MN as of March 31, 2024 due to infusion of equity of INR 200 MN by the holding company, increase in borrowings by INR 296.30 MN and increase in turnover of the Company.

The Company’s expertise in agricultural institution building, farming best practices, farmer collective, distribution, logistics and technology coupled with Samunnati’s holistic solutions approach through Aggregation, Market Linkage and Advisory Services (AMLA) is expected to help Agri value chains operate at a higher equilibrium.

C. COMPANY OVERVIEW AND OPERATIONS

SAIL (Samunnati Agri Innovations Lab Private Limited) has facilitated access to startups, indicating a commitment to fostering innovation within the agricultural sector. SAIL also strives to make markets work for small holder farmers through strategy, innovation, establishing non-linear business growth channels of crowd and community sourced rural franchisee network of Agri Entrepreneurs, Village Level Entrepreneurs, Farmer Financing, Agri value chain financing through anchor institutions like Agri startups, Business Correspondents, and online debt marketplace channels. Furthermore, Samunnati, via SAIL, has initiated engagement with several new-age players who offer innovative solutions.

These engagements would introduce efficiencies to the agricultural value chain, indicating a proactive approach towards leveraging emerging technologies and methodologies to enhance productivity and sustainability within the industry. Considering the inherent gaps and unmet needs in Indian Agriculture, SAIL strives to address all the possible gaps & needs to make markets work for smallholder farmers. Some of the key areas where SAIL is working currently are as follows:

1. Financial Product Innovation

Gaps and Needs: According to the National Bank for Agriculture and Rural Development (NABARD), only a few small and marginal farmers have access to formal credit and related solutions.

Innovations and Impact: Implementing alternative credit scoring and offering non-traditional loans could potentially increase access to credit for all smallholder farmers who currently rely on informal sources.

2. Agri-tech Solutions

Gaps and Needs: A study by the International Food Policy Research Institute (IFPRI) indicates that adoption of digital agriculture technologies is currently below 20% among Indian farmers.

Innovations and Impact: With the right incentives and training, the penetration of digital technologies in agriculture could increase, potentially boosting productivity by 20-30%.

3. Climate Resilient Technologies

Gaps and Needs: As per the Indian Meteorological Department, there has been a 40% increase in unpredictable weather patterns over the last decade.

Innovations and Impact: Introducing climate-resilient technologies could help mitigate the risks associated with climate variability, securing the livelihoods of millions of farmers.

4. Market Linkage Platforms

Gaps and Needs: According to the Food and Agriculture Organization (FAO), smallholder farmers receive only about 20-40% of the retail price of their produce.

Innovations and Impact: A robust market linkage platform could increase farmer incomes by reducing the layers of middlemen, potentially increasing their share of the retail price by up to 60-80%.

5. Capacity Building and Training

Gaps and Needs: The Government of India's Skill India reports that less than 5% of farmers receive any formal training on modern agricultural practices.

Innovations and Impact: Providing structured training programs could lead to an improvement in farm productivity and sustainability, possibly reducing input costs by up to 25%.

6. Sustainable Agricultural Practices

Gaps and Needs: Studies suggest that excessive use of chemical fertilizers and pesticides is causing a decline in soil health, affecting nearly 25% of India's total land area.

Innovations and Impact: Promoting sustainable practices could help reverse soil degradation and improve farm yields by up to 10-15% over a decade.

7. Digital Platforms for Financial Services

Gaps and Needs: Rural financial inclusion levels are significantly lower than urban areas, with only about 50% of rural households having access to formal banking services.

Innovations and Impact: Expanding digital financial services could potentially increase financial inclusion to above 80% in rural areas, enhancing the financial security and investment capacity of rural populations.

Business Pilot Overview

Some of the business products pilot executed in SAIL are as follows:

- 1) TradeX - a trade advance product for traders
- 2) Institutional Market Linkage with Tirumala Tirupati Devasthanam (TTD)
- 3) Market Linkage with FPOs and AEs
- 4) Research Desk revenue
- 5) Input Business with Farmer Collectives and VLEs

Products	Sales (INR MN)	COGS (INR MN)	Gross Margin (INR MN)	Gross Margin (%)
TradeX	494.27	487.83	6.45	1.30%
Institutional Market Linkage	308.16	307.52	0.64	0.21%
Market Linkage	91.42	89.71	1.71	1.87%
Research Desk	23.30	0.00	23.30	100.00%
Input Business	6.02	5.43	0.59	9.87%
Total	925.03	892.84	32.19	3.48%

Once the pilot products established their viability, these will be handed over to the business team for standardization and scaling up.

Independent Auditors' Report

To the Members of Samunnati Agri Innovations Lab Private Limited (Formerly "Kamatan Farm Tech Private Limited")

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of Samunnati Agri Innovations Lab Private Limited (Formerly "Kamatan Farm Tech Private Limited") ("the Company"), which comprise the balance sheet as at 31 March 2024, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Directors report but does not include the financial statements and our auditors' report thereon. These reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. When we read the reports containing the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Management and Board of Directors for Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, loss and other comprehensive income, changes in equity

and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. Please refer to the matters stated in the Note 39 to the financial statements and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (g) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at 31 March 2024 which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024; and
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of

funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

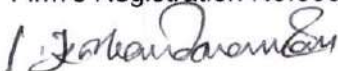

(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. The Company has not paid/declared any dividend during the financial year. Accordingly, reporting on compliance with the provisions of Section 123 of the Act is not applicable.
- vi. Relying on the representations/ explanations from the Company and based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software and we did not come across any instance of such audit trail feature being tampered with. The feature of recording audit trail (edit log) for the third party managed payroll processing software and also at the database level to log any direct data changes in the accounting ERP system could not be verified.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

Since the Company is a private limited company, the provisions of Section 197 of the Act are not applicable to it. Accordingly, reporting on the compliance with the provisions of Section 197 of the Act is not applicable.

According to the information and explanation given to us and the records of the Company examined by us, no undisputed amounts payable in respect of statutory dues were in arrears, as at 31 March 2024 for a period of more than six months from the date they became payable.

account of any dispute.

- (viii) As per the information and explanations given by the management and on the basis of our examination of the records of the Company, no amount has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, paragraph 3(viii) of the order is not applicable to the Company.
- (ix)
- (a) Based on our audit procedures and as per the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared willful defaulter by any bank or financial institution or government or government authority.
 - (c) According to the information and explanations given to us and the records of the Company examined by us, term loans were applied for the purpose for which the loans were obtained;
 - (d) According to the information and explanations given to us and the records of the Company examined by us, no funds raised on short term basis have been utilized for long term purposes.
 - (e) According to the information and explanations given to us and the records of the Company examined by us, the Company does not have any subsidiary, associate or joint venture and hence the question of the Company taking loan from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures or associate companies does not arise. Accordingly, paragraph 3(ix)(e) of the Order is not applicable to the Company.
 - (f) According to the information and explanations given to us and the records of the Company examined by us, the Company does not have any subsidiary, associate or joint venture and hence the question of the Company raising any loans during the year on pledge of securities held in its subsidiaries, joint ventures or associate companies does not arise. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x)
- (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no material fraud by the Company or on the Company has been noticed or reported during the year.
 - (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of Section 143 of the Act has been filed by secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government of India for the period covered by our audit.
 - (c) As represented to us by the management, there are no whistle blower complaints received during the year by the Company.

- (xii) The Company is not a Nidhi company in accordance with Nidhi Rules 2014. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, all the transactions entered into with the related parties during the year are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the Indian accounting standard Related Party Disclosures (Ind AS 24).
- (xiv)
- (a) In our opinion and based on our examination, the Company does not have an Internal Audit system and is also not required to have an Internal Audit System as per Companies Act 2013.
- (b) The Company did not have an internal audit system for the period under audit.
- (xv) On the basis of the information and explanations given to us, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- (a) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934).

Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) Based on our audit procedures and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence the questions of fulfilling criteria of a CIC, and in case the Company is an exempted or unregistered CIC, whether it continues to fulfill such criteria, do not arise. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on our audit procedures and according to the information and explanations given to us, none of the group companies are Core Investment Company (CIC) and hence the question of number of CICs which are part of the Group does not arise. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The company has incurred cash losses of Rs. 86.67 million in the financial year and Rs. 137.69 million in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, read with Note 38 on Going Concern which details the management plans and financial support from the Holding Company, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based

on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- (xx) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to spend the amount for corporate social responsibilities and accordingly, paragraph 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

Annexure B

Referred to in paragraph 2(g) on 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls with reference to financial statements of Samunnati Agri Innovations Lab Private Limited (Formerly "Kamatan Farm Tech Private Limited") ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

1 Corporate information

Samunnati Agri Innovations Lab Private Limited (CIN: U74999TN2017PTC149059) (Formerly Kamatan Farm Tech Private Limited) ('Samunnati Agri Innovations Lab Private Limited' or 'the Company') was incorporated on 29 December 2017. The Company is engaged in the business of wholesale trading of Agri-inputs and commodities.

2 Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation of Financial Statements

i Statement of compliance

The financial statements of the Company have been prepared and presented in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules, 2016 as notified under section 133 of Companies Act, 2013 (the "Act") and other relevant provisions of the Act. The financial statements have been prepared on a historical cost convention on accrual basis.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle up to twelve months for the purpose of current/ non-current classification of assets and liabilities.

These financial statements were authorized for issue by the Company's Board of Directors on 22 May 2024.

ii Presentation of financial statements

The Company uses accrual basis of accounting in preparation of financial statements (other than statement of cash flows) except in case of significant uncertainties.

The statement of cash flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

iii Reporting and presentation currency

The financial statements are presented in Indian Rupees (₹) which is also the Company's functional currency. All amounts have been rounded off to the nearest millions, except share data and as otherwise stated.

2.2 Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates, assumptions and judgements that affect the reported amounts of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expense for the periods reported. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

2.3 Property, plant and equipment

Property, plant and equipment are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for them to be capable of operating in the manner intended by the management. Plant and other equipment are subsequently measured at cost less accumulated depreciation and any impairment losses. Cost of property, plant and equipment not ready for the intended use before reporting date is disclosed as capital work in progress.

Depreciation and amortisation

Depreciation on property, plant and equipment is provided on straight line method and in the manner prescribed in Schedule II to the Companies Act, 2013, over its useful life specified in the Act, or based on the useful life of the assets as estimated by Management based on technical evaluation and advice. The residual value is generally assessed as 5% of the acquisition cost which is considered to be the amount recoverable at the end of the asset's useful life. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end.

2.4 Provisions and contingent liabilities

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic resources will be required from the Company and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

In those cases, where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation (such as from insurance) is recognized as a separate asset. However, this asset may not exceed the amount of the related provision.

Contingent assets are not recognized. However, when inflow of economic benefits is probable, the related asset is disclosed.

2.5 Income tax

Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

2.6 Deferred tax assets

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained/ recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

2.7 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the summation of weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.8 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.9 Revenue recognition

a. Sale of goods

To determine whether to recognise revenue from contracts with customers, the Company follows a 5-step process:

- 1 Identifying the contract with customer
- 2 Identifying the performance obligations
- 3 Determining the transaction price
- 4 Allocating the transaction price to the performance obligations
- 5 Recognising revenue when/as performance obligation(s) are satisfied.

Revenue from sale of products or services is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to be received in exchange for those products or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty. The Company has assessed its revenue arrangements based on the substance of the transaction and business model against specific criteria to determine if it is acting as principal or agent.

b. Interest income:

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

2.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Classification

The Company classifies financial assets as measured at amortized cost, fair value through Other Comprehensive Income (FVTOCI), or Fair Value Through Statement of Profit and Loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

b. Initial Recognition and Measurement

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at FVTPL) are added to the fair value measured on initial recognition of the financial assets.

c. Subsequent Measurement

For purposes of subsequent measurement financial assets are classified in below categories:

- i. **Financial assets carried at amortized cost:** A financial asset other than derivatives and specific investments, is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii. **Financial assets at fair value through other comprehensive income:** A financial asset comprising specific investment is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. **Financial assets at fair value through Statement of Profit and Loss:** A financial asset comprising derivatives which is not classified in any of the above categories are subsequently fair valued through profit or loss. Investments in Mutual funds are measured at fair value through profit or loss (FVTPL).

d. De-recognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

e. Impairment of Financial Instruments:

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, are recognized as an impairment gain or loss in the Statement of Profit and Loss.

For trade receivables or any contractual right to receive cash or another financial asset that results from transactions that are within the scope of Ind AS 115, the Company follows 'simplified approach' and measures the loss allowance at an amount equal to lifetime expected credit losses. This impairment allowance is computed based on historical credit loss experience and management assessment.

f. Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the counterparty does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

B. Financial Liabilities

a. Initial Recognition and Measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

b. Classification

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through Statement of Profit and Loss. Such liabilities, including derivatives shall be subsequently measured at fair value.

c. Subsequent Measurement

i. Financial liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured using the Effective Interest Rate (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

ii. Financial liabilities at fair value through Statement of Profit and Loss

Financial liabilities at fair value through Statement of Profit and Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through Statement of Profit and Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category comprises derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

d. De - recognition

A financial liability is derecognized when the obligation under the liability is discharged or is cancelled or expires.

e. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to sell on a net basis, to realize the assets and sell the liabilities simultaneously.

2.10 Recent Accounting and Other Pronouncements

New and amended standards adopted by the Company:

The Ministry of Corporate Affairs vide notification dated 31 March 2023 notified the Companies (Indian Accounting Standards) Amendment Rules, 2023, which amended certain accounting standards and are effective 1 April 2023.

Material changes are in relation to the following:

- Disclosure of accounting policies — amendments to Ind AS 1.
- Definition of accounting estimates — amendments to Ind AS 8.
- Deferred tax related to assets and liabilities arising from a single transaction — amendments to Ind AS 12.

The Company has evaluated the amendments and the impact is not material.

New Standards/Amendments notified but not yet effective: None

2.11 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

29 Operating Segments

The Company is engaged in the business of "Trading in Agri inputs and commodities". Based on the "management approach" as defined in Ind-AS 108 - Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by the overall business segment, i.e. Trading in Agri inputs and commodities. As the allocation of resources and profitability of the business is evaluated by the CODM on an overall basis, with evaluation into individual categories to understand the reasons for variations, no separate segments have been identified. Accordingly no additional disclosure has been made for the segmental revenue, segmental results and the segmental assets & liabilities.

30 Fair value measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Other financial assets	0.92	20.90

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

The Company provides for expected credit loss based on the following:

Assets covered	Nature	Basis of expected credit loss
Cash and cash equivalents (excluding cash on hand), other bank balances, investments, Trade receivables - considered good and other financial assets	Low credit risk	No credit loss
Trade receivables - having significant increase in credit risk	Moderate credit risk	Life time expected credit loss
Trade receivables - credit impaired	High credit risk	Life time expected credit loss

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents (excluding cash on hand) and bank deposits is managed by only investing in highly rated deposits from banks across the country.

Other financial assets

Other financial assets measured at amortized cost includes security deposits and other receivables. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Trade receivables

Trade receivables is typically unsecured and are derived from revenue earned from customers. To manage the credit risk, the Company periodically assesses the financial reliability of its customers, taking into account the financial condition, economic trends and historical payment pattern. The Company establishes an allowance for doubtful debts that represents its estimate of incurred losses in respect of the Company's trade receivables. Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses.

For movement in the allowance for impairment of trade receivables refer note 9

The concentration of credit risk is limited due to the customer base being large and unrelated. Further, the Company constantly evaluates the quality of trade receivable and provides allowance towards impairment of trade receivables.

In addition to the historical pattern of credit loss, we have considered the likelihood of increased credit risk and consequential default. The Company closely monitors its customers and assesses conditions such as change in payment terms, inability of the customer to pay etc. depending on severity of each case. Basis this assessment, the allowance for impairment of trade receivables as at 31 March 2024 is considered adequate.

c) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

34 Employee benefit expenses

Defined contribution plans

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the Provident fund.

The total expense recognized in profit or loss of Rs.2.50 million (March 31, 2023: Rs.5.81 million) represents contribution payable to these plans by the Company at rates specified in the rules of the plan.

Defined benefit plans

(a) Gratuity

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides for a lump sum payment to vested employees on retirement (subject to completion of five years of continuous employment), death, incapacitation or termination of employment that are based on last drawn salary and tenure of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date and the Company does not maintain any plan assets to fund its obligation towards gratuity liability.

Details of the defined benefit plans as per the actuarial valuation are as follows:

	As at 31 March 2024	As at 31 March 2023
I Change in projected benefit obligation		
Projected benefit obligation at the beginning of the year	2.22	0.14
Current service cost	0.66	2.02
Interest cost	0.17	0.11
Payments	(0.74)	(0.15)
Net Acquisitions/(Disposals)	0.02	0.24
Disposals	(3.85)	-
Actuarial (gain)	3.95	(0.14)
Projected benefit obligation at the end of the year	2.43	2.22
	Year ended 31 March 2024	Year ended 31 March 2023
II Total amount recognized in the Statement of profit or loss		
Current service cost	0.66	2.02
Interest cost	0.17	0.11
	0.83	2.13
III Total amount recognized in other comprehensive income		
Actuarial (gain)	3.95	(0.14)
	3.95	(0.14)
	As at 31 March 2024	As at 31 March 2023
IV Principal actuarial assumptions used :		
Discount rate	7.00%	7.20%
Long-term rate of compensation increase	7.00%	7.00%
	100% IALM	100% IALM
In- service mortality rate	IAL2012-14Ult	IAL2012-14Ult
	(2012-14)	(2012-14)
Attrition rate	5.00%	5.00%

The Company assesses these assumptions with the projected long-term plans of growth and prevalent industry standards.

The estimates of rate of escalation in salary considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Employee benefits - Maturity profile (undiscounted)

Particulars	Less than 1 year	Between 2-5 years	Between 6-10 years	Over 10 years
As at 31 March 2024				
Defined benefit obligation	1.16	0.14	0.82	3.50
As at 31 March 2023				
Defined benefit obligation	0.01	0.14	0.86	8.00

Sensitivity analysis

The significant actuarial assumptions for the determination of the defined benefit obligation are the discount rate and the long-term rate of compensation increase. The calculation of the net defined benefit liability is sensitive to these assumptions. The following table summarizes the effects of changes in these actuarial assumptions on the defined benefit liability at 31 March 2024.

Particulars	Discount rate		Future salary	
	Increases	Decreases	Increases	Decreases
31 March 24				
> Sensitivity level	1.00%	-1.00%	1.00%	-1.00%
> Defined benefit obligation	(0.17)	0.20	0.22	0.18
31 March 23				
> Sensitivity level	0.50%	-0.50%	0.50%	-0.50%
> Defined benefit obligation	(0.16)	0.20	0.20	(0.17)

(b) Compensated absences

The liability in respect of the Company, for outstanding balance of privilege leave at the balance sheet date is determined and provided on the basis of actuarial valuation performed by an independent actuary. The Company does not maintain any plan assets to fund its obligation towards compensated absences.

Principal actuarial assumptions used :

	As at 31 March 2024	As at 31 March 2023
